IDEAL PATH POTENTIAL

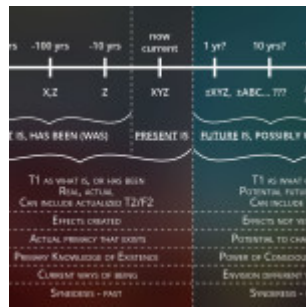

(DATE, RELATIVE) Relative to Now

Truth Level 2
Root, Good & True
Idealize, Ideal, Idea
An absolute potential at a given time relative to what is not manifested as a potential now.

Always more to discover as a potential. When a potential is recognized or actualized, new vision emerges, new possibilities, emergent phenomena or properties.

We can easily waiver from the path and way of the potential ideal good we know that can be, but can always choose to return to the one absolute extreme of Truth Level 2 we envision from consciousness.

Infinity symbol and vertical axis with 'Absolute' and 'Relative' labels.

SYNERGIES & FUTURE VISION - SYNEIDESIS & SYNDESIS

FROM THE PAST AS A GUIDE TO WATCH OVER, TO NOT REPEAT MISTAKES, TO CREATE BETTER

SYNEIDESIS (SYNTESIS)
- conscience as a guide
- past acts (as syneidesis)
- 'with, together', and 'watch over', keep

SYNDESIS (SYNTESIS)
- conscience as a guide
- past acts (as syneidesis)
- 'with, together', and 'watch over', keep

for morality in the past is knowledge, eidenai.
future actions is about watching over what comes from the past to guide us into the future, work and live for the future.
the past controls the future. He who controls the past controls the future.
- George Orwell

PROVIDENCE (All-Syncs Eye)
Omniscient, foresight (against defilement)
eyes, from pro-'to see' - vision 'to see' supply, act with foresight

PROVIDENCE
- to provide action (as opposed to synesis) means to watch over.

ing, manifesting, creating & becoming in time. Providence, fate, evidence is about behavior and action based on knowing what is going to happen, from a causal relation to provide evidence is about our future actions. We watch over the future of ourselves. To watch and guard is also to protect. We judge of the past, syneidesis, to determine what future we are or are actions, allowing us to change with foresight. The Eye of Providence, is our consciousness uncovering reality to recognize patterns before, to see what will come next. The transcendental idealist, is ourselves, if we choose to engage in this voluntary will. The Eye is the vision of wisdom from acquiring the light of
